

**GOLF TEACHING CENTER
JUNIPER HILL GOLF COURSE
(508) 351-9500**

GET ON-COURSE - \$45.00/\$135.00

Improve and learn more about your game as you play. Our on-course instruction is now available for beginners, juniors, and more advanced players. Established golfers will improve their strategy; where to aim, what club to hit, and how to play certain shots. Beginners will learn course etiquette and feel more comfortable while achieving a better understanding of the game.

Due to the fact with the schools running on different schedules and adults working from home, you can purchase either a 3-day program or just sign - up one class at a time. If you sign -up as a parent/child group, both of you will be able to ride in the cart together. With junior golfer's, although we can transport the clubs, unfortunately the junior golfer will have to walk.

Please call (508) 351-9500 and let us know what days and times work best for you. We may be able to offer weekend afternoon programs. From the requests, we will be able to form groups.

- Each class is 1 ½ hour long
- There are 4 spots available
- Minimum 3 per class
- Golfers must have their own golf clubs

Adults and juniors will be in different groups unless otherwise requested.
